WHEREAS, the United State Clean Water Act, as set forth as 33 USC § 1251, et seq., as well as other applicable State and Federal laws require that the Bucks County Water and Sewer Authority adopt industrial wastewater discharge and pre-treatment rules and regulations; and

WHEREAS, the Authority has previously adopted rules and regulations related to industrial wastewater discharge and pre-treatment; and

WHEREAS, as a result of changes mandated by the United State Environmental Protection Agency, as well as other State and Federal laws, the Authority is charged with the responsibility of updating and otherwise amending its industrial wastewater discharge and pre-treatment rules and regulations; and

WHEREAS, the Board of Directors of the Bucks County Water and Sewer Authority is desirous of adopting updated industrial wastewater and discharge pretreatment rules and regulations which have been reviewed and approved by the applicable representatives of the State and Federal Government.

NOW THEREFORE, be it resolved by the members of the Board of Directors of the Bucks County Water and Sewer Authority as follows:

The rules and regulations attached hereto as an Exhibit are hereby adopted as the Industrial Wastewater Discharge and Pre-Treatment Rules and Regulations of the Bucks County Water and Sewer Authority.

II. Effect.

All prior rules and regulations adopted by the Authority, to the extent inconsistent, are hereby repealed and rescinded. If any court of competent jurisdiction shall determine that any part of the attached rules and regulations are invalid or illegal, such invalidity or illegality shall not affect the rules and regulations as a whole, as it is the intent of the Board of Directors of the Authority that said rules and regulations would have been adopted even without the offending language.
