Subject: Bucks County Water & Sewer Authority - Castle Valley Diversion Booster Pump Station
Contract CB-75A, General Construction and Contract CB-75B, Electrical

Dear Mr. Purdy:

Please be advised that the Authority has reviewed the Contractor Responsibility Certification Form and the supporting documentation you submitted for the subject project.

As a result of the review, please be advised that you are a pre-qualified bidder. Under separate cover, you will be sent information to access the page on PennBid where your bid can be submitted. Please note that the apparent low bidder will also need to be found responsible pursuant to Section 8 of the Resolution, which can be found after Document 00 4515 of the Project Manual.

Should you have any questions or require additional information, please feel free to contact this office.

Very truly yours,

CARROLL ENGINEERING CORPORATION
